

Share an office with us!

The pandemic will forever change the world of work and the need to find new office solutions that are flexible enough to offer both stability and creativity for individual and collective processes alike we believe to be central. SOLIDAR has just entered centrally located, newly renovated offices at [Av. des Arts 50 \(1000 – Brussels\)](#) and are now looking for a sister organisation or movement to join us there, who sees this the same way.

If you are a likeminded organisation, driven by the values of social justice and sustainable development, that agrees with this idea and are looking for a constructive and collaborative office set-up in the heart of Brussels – we have the solution for you! What we can offer:

- Newly renovated office at the 2nd floor with easy access
- Two furnished office rooms of about 50 m2 including access to a meeting room and kitchenette (including stationary computers should this be a need).
- Prime location in the heart of Brussels, right next to Metro Trône/Troon, the Royal Park and a walking distance to all major institutions and actors in the city, with easily accessible public transport.
- All in one bill for comfort and easy management! You only pay the one bill which includes: rental charges, wireless internet access, electricity, copy and printer services, cleaning, and all additional charges.
- The sooner you sign the cheaper the rent! If you are interested don't wait to contact us and we will be able to offer you a really competitive price!
- Flexibility in contract length and termination clauses.

We look forward to welcoming you to our offices and hope to hear from you soon! If interested, please contact:
